

Are you a junior researcher?

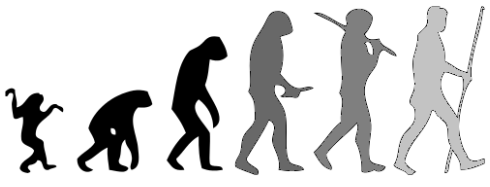

Do you need opinion of some senior guys on your work?

Do you want to meet people with whom you can work after graduation?

Do you have a nice idea for a future paper on which you want to get some feedback in October?

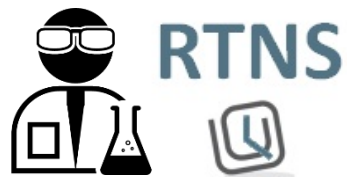

Do you have a work-in-progress that needs good review?

Do you want to practice giving talks and having audience?

Do you want visibility and a chance to get to know the edge of science?

Finally, do you want free good wine and amazing French food?

Then you are just 4 pages far from your targets!

**11<sup>th</sup> Junior Researcher Workshop on Real-Time Computing (JRWRTC 2017)**  
Grenoble, France, 4-6 October, 2017  
Deadline: August 20, 2017
